

LIBERTY SERIES

Commercial-Duty, Gasoline-Powered, Direct-Drive Cold Water Pressure Washer

Compact, Gasoline-Powered, Cold Water Pressure Washer for Outdoor Commercial and Industrial Applications

These are the toughest gasoline-powered, direct-drive cold water pressure washers in the Kärcher line with cleaning power of up to 3.8 GPM and 3500 PSI. Powered by industrial-grade Honda engines, these models feature tri-plunger, oil-bath Kärcher pumps, pneumatic tires for easy maneuvering, steel chrome handles, steel frame and base with an all-weather powder-coat finish, hose rack and high pressure hose with burst protection. For a compact but rugged and affordable cold water pressure washer, they don't come tougher than Kärcher's cold water pressure washers.

- Industrial Honda Engine
- 7-Year Warranty on Direct-Drive Pump
- Chrome Handles
- Pneumatic Tires

Dimensions:
35"L x 21"W x 24"H

- Easy-to-attach downstream **detergent injector** with brass soap nozzle
- Warning and **operating instructions** in three languages for owner liability protection
- Insulated stainless steel **wand** with quick-couple connectors for easy attachment of high-pressure nozzles
- Safety thermal **pump saver** valve protects against hot-water damage by venting recirculated water
- 10" tubed **pneumatic tires** for easy maneuvering on all terrains and to absorb vibration
- Rubber **feet** to absorb vibration and keep the unit from "walking"
- Conveniently located gun and hose **holder** attached to the chrome handle

- Rugged **chassis** base painted with an epoxy powder coat finish for all-weather protection
- Five conveniently mounted, quick-couple **spray nozzles** for varying fan spray
- Reliable **Honda GX engine** with two-year warranty; low-oil alert and silent-tone muffler (9 and 13 HP models also have valve for easy pull-start)
- Industrial-grade, tri-plunger, oil-bath Kärcher high pressure **pump** with forged brass head and ceramic pistons; backed by 7-year warranty
- Insulated, high-pressure **trigger gun** for hours of fatigue-free cleaning
- 50' durable **wire-braid hose** rated for 3000 or 4500 PSI; with hose guard for burst protection
- **Inlet strainer** protects pump from debris in the water source
- **ETL certified** to the rigid UL-1776 safety standards
- Convenient front and back 1 1/4" chrome-plated **handles** to assist in lifting and moving the pressure washer

TYPICAL APPLICATIONS

- Buildings
- Agriculture
- Machinery
- Industrial
- Ships, Marinas
- Sidewalks, Stone
- Concrete
- Heavy Equipment
- Painted Surfaces
- Vehicles

HAND HELD MODEL

Dimensions: 16"L x 24"W x 22"H

Kärcher also offers a gasoline-powered hand held cold water pressure washer.

HD 2.3/24 P
[Order No. 1.575-350.0]
features a 5.5

HP Honda GX engine and a Kärcher KG piston pump to deliver cleaning power of up to 2.3 GPM and 2400 PSI. It weighs only 80 lbs. and is so compact that it can be transported in the trunk of a car.
